Getting there from Central Swansea by Car

- (If you have come along the M4, take the exit at Junction 42)
 - Head along Oystermouth Road (the main road which follows along Swansea Bay) towards Mumbles.
 - Oystermouth Road merges into Mumbles Road (A4067).
 - You will pass the University on your right.
 - You will go straight through a major set of traffic lights.
 - On your right you will see a Shell Petrol station.
 - Make sure you are in the right hand lane.
 - You will pass the Texaco petrol station on your left.
 - Take the next right sign posted 'Gower onto the Mayals Road (B4436).
 - Keep going straight on this road and you will soon be on the Common.
 - Keep going straight – this is still the B4436 but is known as 'Northway'.
 - Take a left on Murton Green Road sign posted 'Murton'. (If you go past a small petrol station on your right you have gone too far!)
 - Take a left at the 'T' junction onto Mansfield Road towards Mansfield.
 - The road narrows, go past a number of houses and you will see an island of grass on your right.
 - Pull in there. (If you go past a BT Payphone on your right you have just gone past the grass island)
- Please park here if there are spaces, but be careful not to block access around the grass island, or to the track.**
- There is also limited parking on our site – up to seven vehicles – down the track
 - Either drive down the track/bridleway and park on our site, or walk down.
 - You'll see our oak gate and wooden barn on the left side track.
