Build a Better World

Sustainable Construction

Training for groups & individuals

Accredited courses
Funded by the National Lottery

Bringing out the best in people through creating remarkable buildings together

Based on a “live” construction site you’ll:

- Improve your own well-being and employment outcomes
- Learn how to build with sustainable materials
- Get to use a wide variety of power tools and hand tools

Accredited construction training

Develop skills and techniques on a live construction site and gain accreditation through Agored Cymru in preparation for a CSCS Card.

Targeting ‘hard to reach’ young people / adults aged 16-24. Groups of 12.
